

## INFORMATION ANALYST (60–100 %)

YAAY's information analyst navigates in the complex world of data and information. Do you look for patterns, stories and most importantly for insights? There is no topic, client or area which is not of interest to be turned up side down. Tiding up, structuring and puzzling the pieces into a big picture like a detective is your dream task? Well then you get that the best visualizations are the result of a long process of client guidance, critical thinking and advanced communication skills.

### WE ARE CURRENTLY LOOKING FOR AN EXPERIENCED INFORMATION ANALYST WHO

- is fluent in German (written and spoken)
- feels comfortable in a fast paced environment
- has passion for communication and consulting
- has a finished an academic degree (could also be physics or other sciences)
- does not necessarily have a design education but a passion for it
- is able to produce outstanding overviews and explain them
- the job position starts earliest by April 2017

### WHO IS YAAY

We are an information design agency based in Basel. YAAY's aim is to simplify, consolidate and restructure complex information with a creative, thoughtful and attractive design approach. We provide comprehensive, long-lasting and information-oriented communication solutions. We continuously explore and develop new forms of design by analyzing, structuring and contextualizing data. Through an aesthetically well-wrought design it is possible to create experiences that visualize complex information and make it tangible and holistic – either analog or digital.

### HOW TO APPLY

Please send your application to [yaay@yaay.ch](mailto:yaay@yaay.ch) and attach your online portfolio of past projects in German or English. If you have a complete CV in XING or LinkedIn you don't need to make an effort to create a PDF CV. Please also send us your [medium.com](https://medium.com/)/github username or other application relevant links until 17.03.17.

If you don't have any of this? All of us have started once from scratch. Feel free to try it and maybe we can turn this position into an internship.
